This 1963 Football Brochure has been prepared to aid newspaper, radio, television and college publicity personnel in covering the 1968 football team at Fort Hays State College. Information was compiled prior to the season and is therefore subject to change. Such changes will be brought to your attention through regular sports news releases from the Fort Hays State Information Services.

Visiting journalists, publicists, etc., are invited to visit the FHS campus and are welcome to use facilities and records in the Office of Information Services on the first floor of Martin Allen Hall. Press box facilities are available at Lewis Field Stadium and are explained in more detail elsewhere in this brochure. The Office of Information Services will gladly supply those interested with information about any phase of the college and its activities.

Fort Hays State's sports brochures are used not only for press, radio, television and publicity information, but are considered part of the college's regular publication program. They are seen by alumni, friends and prospective students of the college.

History of the College

Fort Hays Kansas State College, founded in 1902, marked its 66th birthday in June. The institution is a tax-supported liberal and applied arts college, established and maintained by the state to serve the people of Kansas, and particularly the youth of Central and Western Kansas.

Fort Hays Military Reservation, established in 1867 shortly after the Civil War, was abandoned by the United States government in 1889. For the next 11 years, a proposal for wise use of the land was repeatedly presented to Congress by far-seeing residents of the area. In 1900 the government enacted legislation granting the land to the State of Kansas for three designated purposes: as a state college, as an agricultural experiment station and as a state park. All are now in existence on the land.

The college opened June 23, 1902, with 34 students, two faculty members and 19 courses. For two years the college held its sessions in two old Fort Hays buildings on the fort grounds.

The institution has grown steadily to its present enrollment of an estimated 5,200 students, with more than 800 courses and about 250 faculty members. This growth is further reflected in a steady building program that includes such recent construction as the new library, Malloy Hall, the new speech and music center; completion of a six-story women's residence that houses some 600 coeds; an addition to Albertson Hall, the science building; new maintenance buildings; a new men's dormitory; and new married student housing; and complete remodeling of parts of several campus structures has taken place, and a new power plant is in operation.

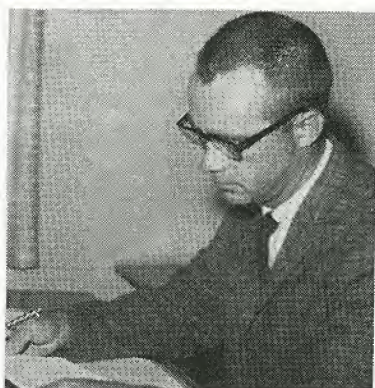

The campus is located immediately to the southwest of the city limits of Hays, on Big Creek, which wanders through the campus. The campus proper consists of about 80 acres, while all of the college land totals 4,160 acres.

Fort Hays State reflects the community and the area in blending new and old, tradition and progress, while serving as the educational and cultural center of Western Kansas.

Athletic Facilities

In addition to Lewis Field Stadium, home of the football and track teams, Fort Hays State has other varied athletic facilities.

Sheridan Coliseum, built in 1915, houses the basketball and gymnastics facilities, in addition to the physical education offices and the K-Club trophy room. Home wrestling meets are held at the coliseum, although the matmen work out in a wrestling practice room at Lewis Field Stadium.

Sheridan Coliseum also includes a swimming pool which is used for physical education swimming classes. FHS has not had a competitive swimming team for several years as the present facilities are not adequate for competition.

Another gymnasium building, known as "men's gym," is used for physical education classes and some intramural competition. Located south of the coliseum, it was moved from Walker Air Force Base in 1947.

The college tennis courts, eight in number, are located south of the coliseum. Solid fences have been added to two courts, giving some wind protection. The courts are lighted for night play.

The college golfers use the nine-hole course at Fort Hays Country Club for their meets. It is located southwest of Hays on highway 40 bypass. The golf course is also the site of home cross country meets.

FHS baseball games are played at Larks Park, the city baseball park at East Fourth and Oak.

Athletic Program

A well-rounded athletic program spanning the entire nine-month school term is offered at Fort Hays State, with at least two sports under way almost continuously throughout the year.

In the fall, the football team and cross country runners compete in both conference and non-conference competition. The cross country squad is also a top competitor each year in the NAIA national championship race.

Basketball, wrestling and gymnastics are offered through the winter months. The basketball squad competes in conference and NAIA competition. The conference does not offer wrestling and gymnastics activity, so the Tiger teams must maintain non-league schedules in those sports. The wrestling squad enters the NAIA national meet each year. The gymnastics team, being one of the few small-college gym squads in the area, regularly competes with major universities and in the NAIA meet.

Spring sports include track and field, golf, baseball and tennis, and all compete in conference meets. The track and golf teams have been frequent NAIA meet competitors.

The college fielded its third baseball team in 43 years last spring.

The college's well organized intramural program includes touch football, basketball, volleyball, softball, track and field, swimming, bowling, tennis, golf, badminton, table tennis and horseshoes.

Those wearing the block K . . .

. . . on the black and gold award jackets are FHS athletic lettermen and members of the K-Club, the organization honoring athletic lettermen. The group's purposes are to foster fellowship among the members and to promote athletics. The club also contributes to the scholarship fund by selling concessions at athletic events.

Tiger offensive system . . .

Coach Wayne McConnell has his Tigers use a multiple-T offensive system, embodying characteristics of several different T-formation systems.

Press Facilities

PRESSBOX: The main pressbox includes adequate facilities for press and radio. It is located atop the east stadium. Included are two enclosed radio booths; one is used by KAYS for each home game. The main press room is used by the working press, publicity personnel of the competing schools, statisticians and the public address and scoreboard personnel. Another large enclosed box is commonly called the "President's Box" and is used by college officials; it is not available for press or scout use.

SCOUTS AND CAMERAMEN: A new box was constructed in 1962 atop the west stadium. It is divided, half for movie cameramen and half for visiting scouts. The new box is white; the main pressbox is native stone.

PRESSBOX PASSES: These are required for everyone seeking admission to either box—press, radio, cameramen, scouts, publicity personnel, etc. Write the sports information director, preferably at least a week in advance to allow time for mailing. Late requests will be filled when possible; passes in those cases will be left at the ticket window. **NOTE:** The scout for the next Tiger opponent will be given preference; others will be seated if room is available.

RADIO: Radio stations wishing to broadcast a Tiger game must make their own arrangements with Southwestern Bell Telephone Co. in Hays. Also contact the sports information director at FHS to determine available facilities and to assure receiving press services.

FILING: A telephone is available in the main pressbox; another is located elsewhere in the stadium. Phones at Martin Allen Hall on the campus may be used after the game. Any newspaper desiring Western Union service must make its own arrangements by contacting the Hays Western Union office, 116 W. 11th.

SERVICES: Although the sports information service at FHS does not control all phases of the pressbox operation, we will do our best to serve you in any way. Before game: Programs, line-ups, number changes, flip cards, cumulative statistics for season, etc. During game: Detailed play-by-play sheets as each page is completed, team statistics and individual leaders at halftime. After game (as soon as possible): Final statistics and scoring summary.

Athletic Director Suran

Fort Hays State's athletic director is congenial Cade Suran, in his fourth year at the post this January. Suran is best remembered in the Hays and Kansas

areas as the veteran FHS basketball coach who guided cinderella teams to the NAIA national tournament three times.

He spent 19 years directing the cage fortunes of the Tigers and emerged with 264 victories and only 151 losses for a winning percentage of 63.6.

Cade is the interested, aggressive athletic director and was primarily responsible for re-instating baseball in the athletic program in 1966. He also promoted the sales of season reserved seats in football and spent many diligent hours working toward the realization of a new field house at FHS. The Tigers should be proud owners of the new structure in 1970-71.

Before coming to FHS in 1946, Suran coached high school basketball at Harlan, Downs and Wellington. His highly successful cage squad in 1946 at Wellington was chiefly responsible for his coming to FHS.

Cade's Tiger teams won CIC championships in 1950, 1959, 1962 and 1963 and wrapped up the NAIA District 10 (all-Kansas) titles in 1959, 1962 and 1963. They competed in the 32-team NAIA Tournament of Champions those same three years, earning fourth-place honors in 1959 and 1963.

Fort Hays State's head football mentor is 25-year coaching veteran Wayne J. McConnell. The talented head coach will be marking his 13th year at the FHS helm this fall.

Midway through his third decade of coaching football, McConnell has compiled a composite 116-79-7 record. His FHS teams stand 47-55-4 through 12 seasons of play.

Wayne coached for six years at the College of Emporia before coming to FHS. His teams there compiled a record of 39 victories, 12 losses and a single tie. His C of E teams were undefeated in regular season play in 1951, 1953, 1954 and 1955. McConnell was named Little All-American Coach of the Year by the Rockne Foundation in 1953.

An associate professor of physical education at FHS, Wayne earned his bachelor's degree at Washburn University in 1934 and was a social welfare worker in Topeka until 1941 when he entered the Army for two years. He finished his master's work at Emporia State College in 1954.

The physical education and speech major was an all-state player in high school. His wife's name is Linda.

Senior Assistant Jesse Kennis

Another senior assistant on the Tiger coaching staff this fall will be two-year letterman Jesse Kennis. The Phillipsburg graduate of 1962 had another year of eligibility remaining but re-occurring knee injuries forced cancellation of future football plans.

Kennis lettered twice at a linebacking spot for the Bengals and will probably see a lot of work on the defensive side.

Jesse and wife Sandra are the parents of two children, Lori, 6, and baby Jesse.

Trainer Ralph Johnson

Serving in the capacity as athletic trainer for Fort Hays State is second-year man Ralph Johnson. Ralph oversees the training program for all nine intercollegiate sports in which the Tigers engage.

An Army veteran, Johnson received both his B.A. and M.S. degrees at Colorado State College in Greeley. He is also an instructor of physical education at FHS.

The Junior Varsity

Fort Hays State's junior varsity football squad is primarily a freshman-dominated squad with the exception of a few upperclassmen who lack experience in college football.

Senior assistants Terry Claycamp, Phil King and Jesse Kennis will probably guide the fortunes of the junior varsity. Claycamp is a former All-CIC linebacker and four-year Tiger letterman; King is a three-year letterman transfer from Kansas State University; and Kennis is a two-year Tiger linebacking letterman.

The young Tigers will play their customary home-and-home series with Kearney State and will probably play three or four games over the course of the season.

FHS's jayvee record over the past eight seasons is 10-17.

The Season Outlook

Tiger head mentor Wayne J. McConnell moves into his 13th season at the helm and he views the upcoming season optimistically. He will have 20 returning lettermen with which to build his 1968 Tiger squad.

Three of the lettermen are first-team All-CIC selections from a year ago and five of them are second-team all-conference nominees from last year's 3-5-0 squad.

Leading the Tiger candidates to camp are three-time All-CIC fullback and top professional football prospect Rich Dreiling; 6-3, 250-pound tackle James Powell, another highly rated pro prospect; and Jon Mastin, 190-pound defensive end, a two-time All-CIC selection.

Couple those with second-team all-leaguers Dennis Spratt and Ken Caywood, ends; Ron Goates, halfback with blazing speed; 6-4, 240-pound tackle Frank Tappan (another pro prospect); and Roger Faulkender, tough defensive halfback, and you have the nucleus for a good football team.

Throw in two good guards such as Tom Foran (5-7 by 240) and Ken Burkhart; excellent halfback Jerry Harrison; veteran defensive secondary performers Lynn Lashbrook and Fred Teeter; and linebacker Paul Simmons, and you come closer to a good football team.

Add transfers Bob Ford (6-4 by 250) at center or tackle; Terry Enright (6-2, 200) at tight end or "monster"; Dale Reiser, halfback, (Hutch Ju-Co); and Ralph Arias (5-7, 150) a soccer-style kicker who can boot from way out and definitely make the difference in tight situations, and most of the ingredients for a good football team are there.

The biggest problem facing McConnell is finding a capable quarterback and he has three or four good-looking prospects from which to choose. Leading the pack is junior Kurt Seimers, a non-letterman (because of injuries) and a young man in whom McConnell has lots of faith. Others pushing for the spot are John Covington, a fine passer; Jack Georgeson, tough and quick; and defensive specialist Steve Seirer who can play most anywhere.

Other freshmen and transfers are expected to help with the depth problem and some will undoubtedly be tough enough to see much varsity action. Who those people are remains to be seen.

The Outlook by Positions

End — Average to Good

Second-team All-CIC returnee Dennis Spratt leads the end candidates. He is big, fast and has good hands. K-State transfer and former Hays High fullback, Terry Enright will probably hold down tight end spot. Need depth at this spot.

Tackle — Good

First-team All-CIC performer Jim Powell is top returnee. He is quick, big and strong. Inexperienced but a letterman, Larry McCants will probably go at other spot. Only lacks playing time, has desire. Defensive side good with Frank Tappan, second-team All-CIC returning and Dick Barta, 6-5, 210 will help. Some good-looking prospects here.

Guard — Average

The temporary loss of letterman Ken Burkhart will hurt. Tom Foran, 5-7 by 250 returns and he is a good one. New people are going to have to help in this position.

Center — Average

No experienced snapper returned this year so new man or men will have to do the job. Top candidate for job is Craig Gwinner from Ellsworth. This spot is probably up for grabs.

Quarterback — Average

Again no real experienced hand returns at this position. Top people are Kurt Seimers, two-year squadman with lots of savvy, and John Covington, passer deluxe. A real battle looms here at this key spot.

Halfbacks — Good

Jerry Harrison returns and will probably start at running back. Lots of other talent including Steve Seirer, a do-it-all player. Could move other running backs into this position.

Fullback — Good to Excellent

Three-time All-CIC fullback Rich Dreiling returns for final year. Tremendous runner, blocker and pass receiver. James Jones, letterman two years ago, also is back and in good condition. Lots of other talent here.

Slotback — Good

Ken Caywood, second-team All-CIC end last year, will probably hold down this spot. He can block, is fast and is a fine pass receiver. Lots of other help like Fred Lysinger, Lloyd Logsdon.

Linebacker — Excellent

Jon Mastin, two-time All-CIC end, may see action here and Paul Simmons, a regular at that spot last year returns. Jack Georgeson, two-year basketball letterman, may win "monster" position. Logsdon is also ready for lots of duty here. Could be strong point on defense.

Defensive Halfback — Excellent

Probably the strongest, deepest group on the Tiger squad. Roger Faulkender, second-team All-CIC last year, Lynn Lashbrook, two-year letterman, Seirer, Lyle White, Carl Helm, Georgeson and many others can do the job here. Bundles of talent.

The Conference Outlook

At present (long before the opening games) the conference outlook seems somewhat jumbled. The final football crown up for grabs in the CIC could be had by any one of the five teams competing for it.

Tiger head mentor Wayne McConnell says Omaha University will be strong, "The Indians always are," but that their season will undoubtedly hinge on how well the void quarterback spot can be filled.

Pittsburg State, another contender for honors, is also looking for a quarterback but returns many fine football players from last year's 6-2-1 squad. There is no doubt about the Gorillas' potential.

And at Emporia State Coach Ron Blaylock may have the Hornets on the right track and if he does, look out. The Emporians are building and have incorporated some top-flight football players into plans for the coming season.

McConnell said Washburn University will be improved and will be a different football team this fall. The Blues will be out to show their fans why the football program should not be dropped at the municipal university.

Not unlike some of the others, FHS is also looking for a signal-caller who can do the job. For the Tiger outlook, see page 29.

Where'll They'll Stay . . .

The following tentative arrangements have been planned for lodging on 1968 Tiger road trips:

Southern Colo. State — Oct. 26, Best Western Motel, Leoti, Oct. 25; Holiday Inn, Pueblo, Oct. 26.

Omaha University — Nov. 9, Tower Motel.

Ranger prospects: Rebuilding

First-year head man J. W. Cole expects freshmen and sophomores to dominate the Ranger football team in 1968. Of last year's 3-7-0 squad, 26 lettermen and squadmen will not be returning. Good depth in returning defensive side. Cole wants to find offensive help on line and in backfield. Prominent among those back from a year ago are quarterback Larry Stephens and defensive ends Ardell Smith and Clyde Jones. Cole is not entirely new to the Ranger football wars. He served two seasons as an assistant coach at NWO before accepting the head reins this fall.

Antelope prospects: Good

After a 9-0 record last year, the outlook should be promising but the All-American lineback and leading scorer for the past four years, Lee Jacobsen, has graduated. Nine members of the team that posted a 9-0-0 season mark a year ago are gone plus others. Only experienced quarterback is back. There is experience at every spot but not great experience or depth. Kearney prognosticators say the schedule is tougher, the foes better in '68.

Last Year's Game:

FHS jumped out front 7-0 but a Kearney State charge brought the Antelopes back for a 27-7 win at Hays.

Bear Outlook: Good

Coach Bob Blasi, in his third year at the Bear helm, expects the Bears to be stronger offensively with an improved passing game. The team will be as strong defensively if Blasi can shore up the interior of the defensive line. Although CSC has good small receivers, it lacks the big, strong receivers, good size on the line and defensive experience. Tom Voake, Randy Thompson, Jack O'Brien, Gary Bell, and Ron Klatt, All-Conference selections, return for action.

Bearcat Prospects: Good

The 'Cats lost some top offensive performers, including the two top quarterbacks; All-MIAA fullback and All-MIAA guard. However, they return a pair of topnotch ends in Leon Muff and Barry Monaghan. The line will not have great experience but the potential is there. Defense could prove to be strongest phase of the Bearcat game. Ichabod Projects: Improved

The 1968 Washburn University football team should be improved in all departments. Much needed depth has been added in most positions but the coaching staff still say a great deal of improvement from a large number of freshmen will have to take place in order for the Blues to field a strong football team. The strongest point of the team is probably the defensive backfield.

Last Year's Game:

FHS got its passing game rolling and ripped the Ichabods 35-0 at Topeka.

Hornet Outlook: Improved

The Hornet outlook was dimmed this summer by the loss of four players to the National Guard and Reserve activation. Included were all-conference guard Terry Wood and second-team all-conference halfback Ron Modellmog. Coach Blaylock says the important thing now is to see how quickly the newcomers can develop and who will emerge to provide the needed leadership. He cites enough talent on the first units to be competitive but sees little depth. Blaylock says his charges are still young and inexperienced and maybe a year away from being competitive but adds that this could change if the leadership shows itself and the young players meet the test.

Last Year's Game:

The Hornets drew the unenviable position as Tiger homecoming opponents and went down before the Bengal onslaught 26-7.

Indian Prospects: Improved

Tribe coach Joe Prater will have 17 lettermen returning plus several good junior college transfers on hand to help the fortunes of the 1968 Indian squad. Prater's major job defensively will be to find adequate replacements for the secondary positions along with needed personnel in the interior line. Offensively, Prater needs a new right side of the line with a new halfback crew. The left side of the forward wall returns intact. Prater feels this is a rebuilding year and says the squad may be a year away from a top-flight title contender.

Indian Prospects: Good

The University of Nebraska at Omaha has 31 lettermen from which to build the nucleus of the 1968 squad and will be looking for replacements for the greatest passing-catching combination in OU history—Marlin Briscoe and Bill Haas. As usual the Indians will be big, strong and fast. Chief weaknesses appear to be at quarterback and the defensive front wall. If the wall can be shored up and the proper quarterback found, the Indians will make an effort for their second consecutive CIC crown.

Last Year's Game

FHS battled the Indians for a share of the league crown and the action-packed thriller went the distance but the visitors were not to be denied their fourth championship and walked off with a 41-28 victory.

Past Season Records

(Note: A college history compiled by the late L. D. Wooster, president-emeritus of Fort Hays State College, indicates that football was played with several opponents prior to 1913, but that these games were primarily with high school and "town" teams. The first season on which the school has complete scores is 1913; the first completely intercollegiate schedule was played in 1915.)

Looking ahead . . .

The basketball outlook at Fort Hays State College is very encouraging with the return of nine or more lettermen and some fine, experienced competitors.

Chuck Brehm, fourth-year head mentor, will greet second-team All-CIC selections Gene Rider and Bill Greiving, guard and forward respectively, among the returning lettermen and will be counting on 6-8 Martyn Howgill to step in and handle the center spot. Three-year letterman guard Mike McAtee will be back and should provide the floor leadership necessary for the successful season.

It looks as if five or six top-flight cagers will be in camp and Brehm will be searching for depth. Aside from last year's lettermen and squadmen, several transfers and freshmen are expected to lend a talented hand.

FHS engages in a 22-game slate this season and will be shooting for the first crown in the new Rocky Mountain Athletic Conference. Basketball competition in the league gets under way this winter and a champion will be arrived at.
